Welcome to Brimfield!

Three times a year, the Brimfield shows attract thousands of dealers and shoppers from around the world looking to stroll down Memory Lane, add to their collection, find that perfect piece for that special spot or discover a new DIY project. Unique and eclectic old and vintage finds share the fields with antiques from all eras, repurposed projects, and decorative embellishments. A photo gallery of Brimfield finds can be found on our Instagram page @journal_of_antiques, a great way to experience Brimfield if you can't get here to do it in person – as is our Facebook page.

With 19 show fields and venues, some open daily and others only open for a few select days during the show week, it is hard to know where to start. Our best advice is to consult with the Show Schedule (page 3) to see what shows will be open while you are here, consult our Map (page 5) to see where each show is located along Route 20, and then start walking until something catches your eye. Our bet is you won't have to walk too far! Each show field has a community of professional dealers with a dazzling array of merchandise waiting to welcome you and answer your questions. For more information on what's offered on each show field, see page 7.

We hope you find this ***Brimfield Show Guide*** useful, here at the Brimfield shows for local places to stay, dine, and shop, and for learning about other upcoming antique and collectibles shows taking place around the country. You will also find a Shop Finder Guide for places to stop and antique shop along the way. For more information on upcoming shows and articles of interest, please visit our website at www.JournalofAntiques.com.

Handled by Dealers –

Restrooms:
Every showfield has porta-potties and wash stations.

Types of Antiques/Vintage Goods:
Each dealer buys and sells the types of goods they specialize in with some special finds and good stories. Have something in mind you hope to find? Ask the dealer. Usually there are more boxes of items still to be unpacked and displayed or a dealer has nearby access to their inventory. If they don't have it, or don't deal in that type of antique, ask if they know someone who does.

How To Pay
Cash is king, as they say, but many dealers will accept credit/debit cards, Venmo, PayPal, ApplePay, and more. ATMs are available at some fields. Dealers will likely hold what you wish to purchase while you get money or retrieve your checkbook. Many take checks if they are local and have your contact information.

Return Policies
Most of the time during a show like this it is a matter of buying "as is, where is" and no returns are allowed. However, if you are making a larger purchase, be sure to talk with the dealer about their return policy and how that would be handled.

Buying After the Show
If you spot something you really like but are not ready to make a purchase, ask for the dealer's information and about the chance to purchase later if you change your mind. You may wish to take a picture of the item to refer to later.

Delivery
If you are visiting from far away, you may want to get your purchases delivered. It is not up to the Dealer to manage that, but some may. Otherwise, you can reach out to area offices for FedEx, UPS, USPS, etc. to see what they are offering for Brimfield Shows – some have on-site pickup.
